

DX-220 Stylish BlueEye Mouse

Check out the most powerful BlueEye mouse from Genius - DX-220. It uses next generation **BlueEye Tracking** technology to let you work virtually just about anywhere.

The DX-220 features the most advanced tracking engine with 1200 dpi resolution to let you work on tough surfaces like dusted glass, marble, a sofa or on the carpet. The weight distribution lets you handle the mouse easily with either hand.

DX-220 is now available for the ultimate working experience. So why wait, just contact your sales representative now for more information.
